

¡BUEN CAMINO, Celestino!

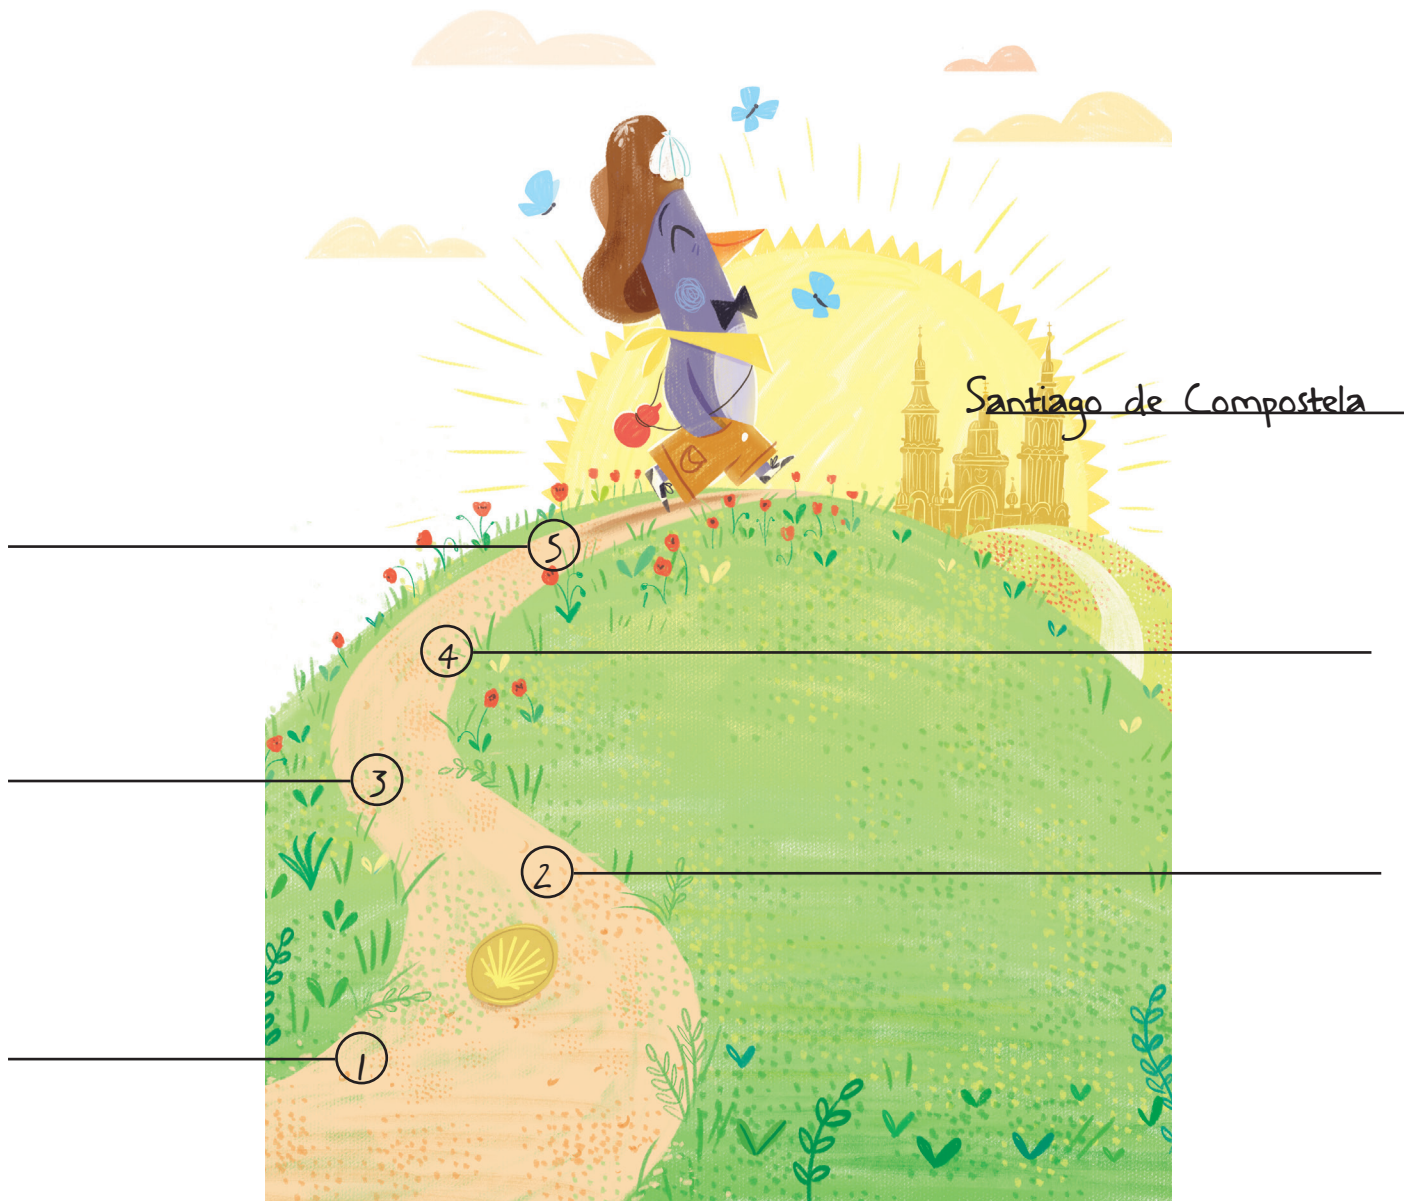

1. Celestino crowded his backpack of a pile of things that did not serve for nothing. Of among the following objects surrounds those that consider necessary to take to make the path:

¡BUEN CAMINO, Celestino!

2. It seeks information and finds the name of 5 peoples or cities that there is on the way since your home until Santiago de Compostela:

My home is at: _____

iBUEN CAMINO, Celestino!

3. At what differentiate these two images? What has made Celestino?
Rays you the same when you go at the nature? It comments this with your partners.
