

# HAVE A GOOD HIKE, Mike!

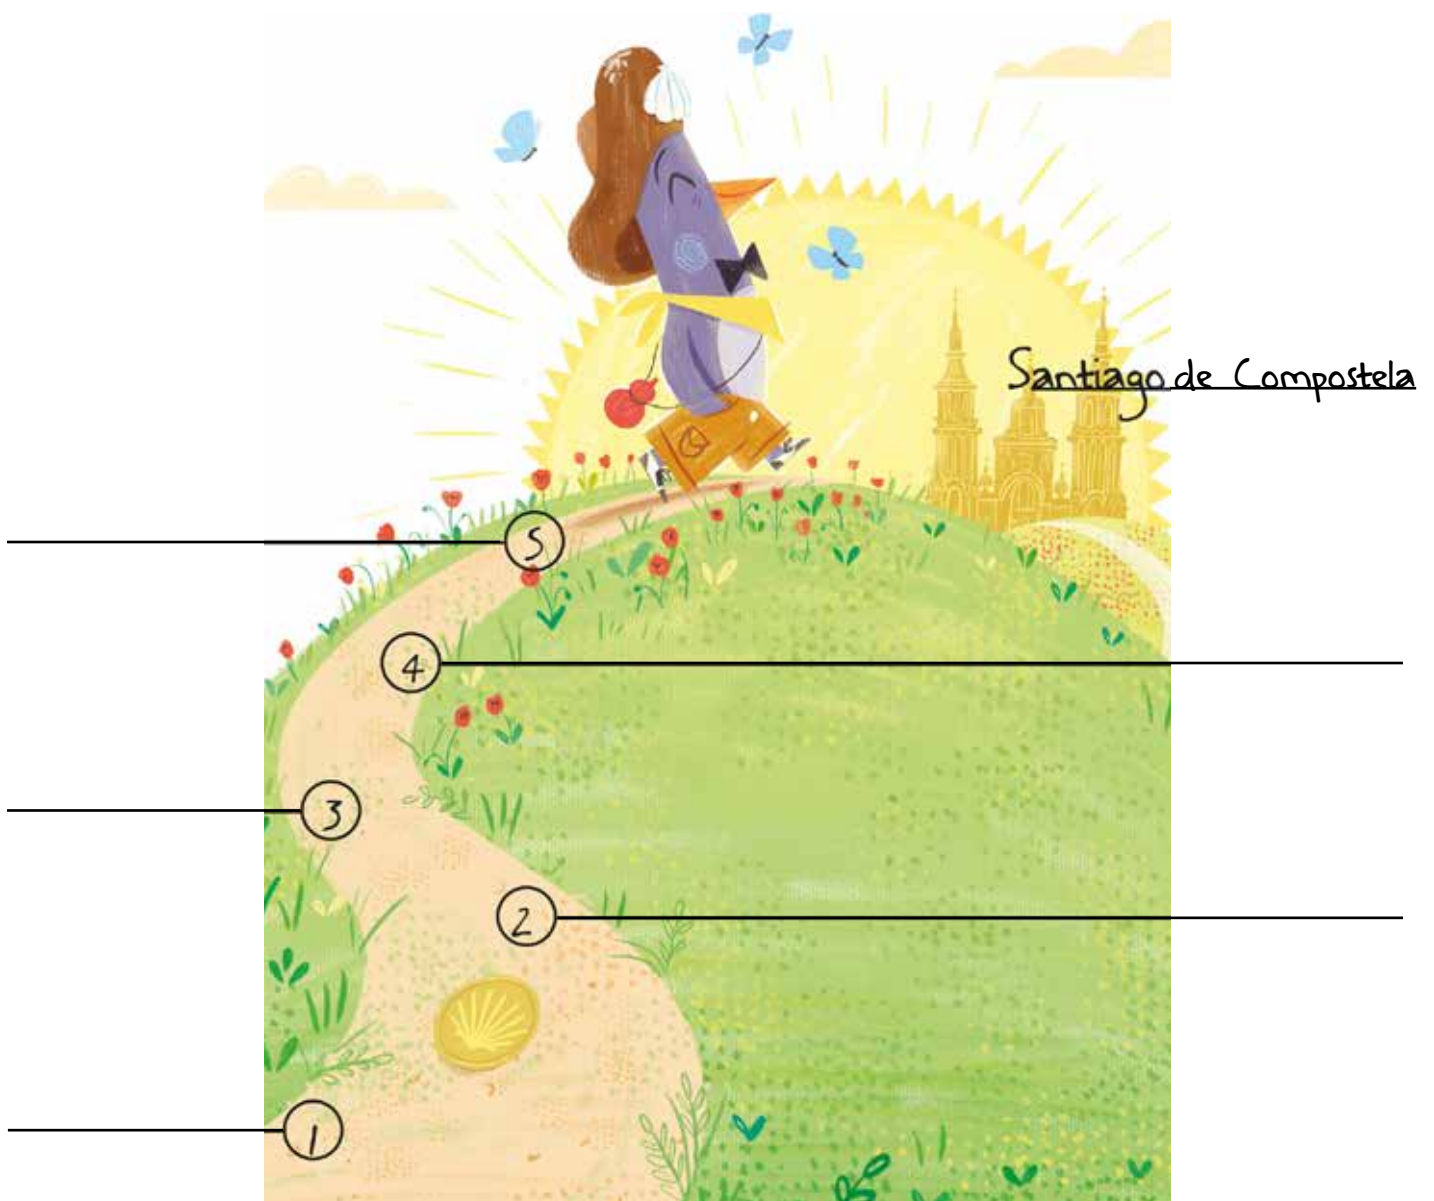

1. Celestino crowded his backpack of a pile of things that did not serve for nothing. Of among the following objects surrounds those that consider necessary to take to make the path:

# HAVE A GOOD HIKE, Mike!

2. It seeks information and finds the name of 5 peoples or cities that there is on the way since your home until Santiago de Compostela:

My home is at: \_\_\_\_\_

# HAVE A GOOD HIKE, Mike!

3. At what differentiate these two images? What has made Celestino?  
Rays you the same when you go at the nature? It comments this with your  
parthers.
